

# Fima Mix I

As of 23-abr-24

## Investment Objective

Fund in pesos composed of local assets that seek to follow the evolution of the official dollar, combined with a minor participation in foreign variable income instruments that are listed locally, through CEDEAR. Local fixed income assets provide the fund with some stability while the variable income part adds greater volatility in search of higher returns.

*Suitable for moderate or **risky** investments with investment horizons of approximately one year.*

## Portfolio Manager Comment as of December 2023

The equity portion continues to focus on VALUE and QUALITY factors while we increased exposure to SMALL CAPS, via CEDEARES. The remaining 75% is invested in Negotiable Obligations with dollar link adjustment, Sovereign Bonds with dollar link adjustment and Short Bills with exchange rate Futures. After the discrete jump in December, the positioning is greater in dual bonds that offer the best adjustment between exchange rate
